

TX-P1430

14" DynaFlat™ TV Ideal for Bedrooms, Kitchens, and More

Flat

Samsung's 14" DynaFlat™ TX-P1430 is just right for the kitchen, bedroom, porch, or any place where a small TV is needed. The attractive design and silver color blend well with any environment. A set of side A/V inputs, rear A/V inputs and a DVD component input make connecting other components easy. A digital comb filter improves picture quality, and with 5 watts of stereo audio, the sound is clear and crisp. The DynaFlat™ anti-distortion, anti-glare picture tube makes watching your favorite program more enjoyable.

DynaFlat™ TV Anti-Distortion, Anti-Glare Flat Picture Tube

Digital Comb Filter minimizes edge image artifacts while improving transition detail.

Maximum of 320 Lines Horizontal Resolution

INVAR Shadow Mask: An alloy material used for consistency of focus and brightness without sacrificing color purity.

Color Temperature Controls: Normal, Warm and Cool selectable with On-Screen Display.

4 Video Presets optimize the picture for the type of program being watched. Presets: Standard/Natural/Mild/Custom with user adjustable brightness, contrast, sharpness, color, & tint.

Dark Tint Picture Tube minimizes reflections and improves colors and picture contrast.

181-Channel Synthesized Tuning

CONVENIENCE

Convenient Front Panel Control Key Buttons for accessing menu settings without the remote.

Full Function Remote Control

Remote Surf™ Timer returns TV to original channel so other channels can be browsed during commercial breaks.

Previous Channel button permits switching back and forth between two channels.

Variable Sleep Timer to turn the TV off in varying time intervals.

CaptionVision (CC)¹ displays dialog that can be read along with encoded broadcast TV programs and pre-recorded videos.

V-chip system¹ allows blocking of rated TV and movie programs determined by the parent to contain objectionable content.

Easy Navigation with an On Screen Menu Display that allows the user to make control setting adjustments.

Trilingual On-Screen Displays in English, Spanish or French.

Screen Filling Picture Modes: Normal, & Zoom allows custom screen image fitting.

Auto Channel Programming memorizes only active broadcast and cable channels. Manual add/delete option included.

Clock with on/off timer

Non-Volatile Memory preserves audio, video and menu settings during power outages.

Self Diagnostic System displays help messages to facilitate proper set-up and operation.

AUDIO

Stereo Broadcast Reception (MTS and SAP).

5-Watt Total Audio Sound System
