

ZISP420DHSS

GE Monogram® 42" Built-In Professional Side-by-Side Refrigerator with Dispenser

Features

\$9,299 MSRP*

Advanced temperature management system with multi-shelf air tower

Provides even distribution of air throughout the refrigerator

Color-matched dispenser with Proximity Sensor

Designed to accommodate glassware of all sizes, from pitchers to tumblers; control graphics light up as you approach and automatically switch off when you walk away

Climate-control drawer

Allows you to express-chill beverages, express-thaw meats and select specific temperatures for perishable foods

Brilliant halogen light columns

Located in the freezer and fresh food compartments, (these columns) extend the full length of the interior compartments providing powerful, all-level illumination

Humidity-controlled vegetable drawer

Helps preserve the freshness of foods

Filter-change indicator light

Located on the upfront control panel, provides a visual reminder when it's time to replace the filter for the water dispenser

LED lighting

Located at the top of the fresh food compartment, and inside the vegetable and climate-control drawers, illuminates contents without compromising space

GE® water filter

Has been moved from the fresh food compartment to the overhead cabinet, where it is discreetly out of sight

* Manufacturer's Suggested Retail Price (MSRP)

Actual retail prices may vary by dealer. MSRP applies to the continental 48 United States and does not include such items as delivery, installation, installation accessories (i.e. range cords), or removal of old appliances. Consult your local authorized GE dealer for its prices.

ZISP420DHSS
