

ULPC-X product information sheet

The Ultra Low Profile Series of fixed, tilt and full motion mounts offers a sleek and slim design without compromising functionality. With an impressively low 3.4" (85mm) mounting profile, the ULPC-X is an extra large full motion mount perfectly suited for those applications where seamless integration counts most.

Product Benefits

- Arms completely nest for a discreet 3.4" (85mm)* mounting profile
- Tilt, pan and swivel for maximum viewing flexibility
- Steel tube double-arm construction for maximum strength and durability
- Includes universal adapter for greater VESA compatibility
- Rack and pinion tilt mechanism for effortless adjustment
- Integrated cable management with quick-snap covers guide wires
- Built-in screen leveling
- Lift n' Lock™ allows you to easily attach your TV to the mount
- Sliding on-wall adjustment (6" lateral; 2" vertical)
- Wide wall plate design for 16", 24" or 600mm studs
- Safety screw secures TV to mount
- Wall plate covers conceal mounting hardware
- Includes installation template for simple and accurate mounting
- Includes complete hardware kit
