

New Gadgets to Warm You Up This Winter

As the blustery winter weather continues to wreak havoc across the U.S., it's time to stock up on winter essential products to ensure warmth through the rest of these freezing months. [Abt Electronics and Appliances](#), the nation's largest single-store retailer of electronics and appliances, is here to rescue you from shivering until spring!

Abt experts recommend products that will ensure you're warm for every part of your daily life – from the kitchen to the car! Below is a list of some sample products that will make sure you stay comfortable this winter:

Kitchen

- [Jura-Capresso H2O Plus Glass Polished Chrome Water Kettle](#) (\$59) – This quick water boiler and tea: a perfect pair.
- [All-Clad Electrics Collection 4 Quart Stainless Steel Slow Cooker](#) (\$129) – Warm soup, stew, and more... Essential for any cold weather day.

Home

- [EdenPURE Gen 2 Spacesaver Heater](#) (\$197) – For an extra boost of heat in your home when you need it the most.
- [Nest Stainless Steel 2nd Generation Learning Thermostat](#) (\$249) – Amazingly programs itself to be at your ideal temperature whenever you're home.

Car

- [Race Sport SURVIVAL Series 12000mAh Jump Pack - 02JUMP](#) (\$98) – Make sure you're ready in the nick of time when the extreme weather kills your car battery.
- [Viper SmartStart Remote Start System](#) (\$399) – Warm your car up so you never have to be scared to get into a freezing car ever again.

Body

- [Bosch Tools Heated X-Large Jacket](#) (\$204) – On the go? A heated jacket is sure to keep you cozy.
- [Life Fitness F1 Foldable Treadmill](#) (\$2149) – Outside workouts are on pause for the time being, and a treadmill workout is sure to keep your heart rate up – and heat!
