

FEATURES

- Can be built in or used in a portable application with accessory cart.
- Crafted of heavy-duty stainless steel.
- Each grill burner is individually contained for independent heat control.
- Infrared sear zone—direct heat sears meats to seal in juices.
- Radiant heat from ceramic briquettes mixes with direct heat for more thorough grilling.
- Two-position rotisserie system with infrared burner.
- Stainless steel burner grates provide more heat contact for even grilling.
- Halogen lights illuminate the grilling surface.
- Signature red control knobs are LED lit for night grilling.
- Electric hot surface ignitors operate by pushing in control knobs.
- Double wall hood front for insulation.
- Hood assist system with concealed springs for easy opening and closing.
- Three-position warming rack stows away when not in use.
