

MOST-AUX Porsche

Price: **\$350.00**

 manufacturer
NAV-TV

 SKU NTV-KIT001

 weight
0.60 Lbs

 market
USA, Rest of World,
Europe

Car Radio Versions

The NAV-TV MOST-AUX Porsche is a M.O.S.T. fiber optic interface that introduces audio into select fiber-equipped Porsche vehicles with no degradation in sound quality. AUX is triggered with an external toggle switch (not included). Unlike cheap FM-based modems that transmit sound via an FM station, the MOST-AUX interfaces directly into the OEM fiber and is designed to work specifically with a compatible Porsche vehicle.
