*For complete information consult written warranty.

Recovery values shown are rounded to nearest gallon and at a 90°F temperature rise.

Dimensions shown for height and diameter are in inches.

Reliance[®] Water Heater Company reserves the right to make product changes or improvements without prior notice.

Models shipped from the factory with an insulation blanket have a "B" as the second to last character in the model number not counting the voltage designation letters K and E for compact models. For example: 6 30 EOLBS, 6 30 EOMBS K, or 6 30 EOMBS E. Not all models have derivatives with factory supplied insulation blankets, see section of table above for models available with an insulation blankets.
