Step 1: Identify all parts packed in the carton against the parts list. Remove all protective materials. If you are missing any parts or are unsure as how to proceed with the assembly, please call our Product Specialists immediately at 1-800-416-3511. **Do not attempt to assemble the chair if any parts are damaged or missing.**

Step 2: With the help of another person, place table top upside down on a non-abrasive surface to avoid scratching the top of the rim. Identify the upper leg and lower leg. Insert the upper leg into lower leg as shown in **Fig. 1**.

Step 3: Attach table legs to table top using a bolt and washer as shown in **Fig. 2**. Guide bolt through hole in table leg, into pre-drilled hole in the table top. **Do not over tighten.** Some adjustments may be necessary to ensure proper alignment of the table legs. Repeat for other three sides. Your table is now ready for use.

IMPORTANT NOTE: Damage to welds or frames resulting from over tightened bolts or improper assembly is not covered under our warranty. Please read all instructions carefully before assembly. If you have any questions regarding your assembly, call our Product Specialists at 1-800-416-3511.
