

SMART THERMOSTAT SELF-INSTALL REBATE APPLICATION

Smart thermostat must be purchased and installed March 1, 2016 – May 31, 2017.

Application must be submitted within 90 days of purchase or by June 30, 2017, whichever comes first.

Visit ComEd.com/Thermostat to apply online.

HOW TO APPLY

1

VERIFY ELIGIBILITY

- You must be a current ComEd residential delivery service customer.
- Select a qualifying smart thermostat:
 - ecobee3
 - Nest Learning Thermostat
- Working Wi-Fi connection.
- If you used a professional contractor to install your smart thermostat, use the contractor-installed smart thermostat rebate application. Visit ComEd.com/Rebates for more information and to apply.
- Review the Rebate Eligibility Requirements on page 4.

2

INSTALL SMART THERMOSTAT

- Confirm your heating and cooling systems are compatible with the smart thermostat you've selected.
- Install on a compatible central air conditioner, heat pump and/or electric heating system.
- Connect your new smart thermostat to the internet via a Wi-Fi connection and register with the manufacturer.

3

COMPLETE APPLICATION

- Check your application to ensure it is correct, legible, complete and signed before submitting.
- If applying for two rebates, complete the Smart Thermostat #2 section on page 3.

4

SUBMIT APPLICATION

- Include a legible copy of the entire sales receipt, which includes:
 - Smart thermostat product information for each unit installed
 - Purchase date
 - Retailer business information
- Make a copy of the application and receipt for your records.

5

RECEIVE REBATE PAYMENT

- After your rebate application is reviewed and approved, you will receive a rebate check in approximately four weeks.

SMART THERMOSTAT SELF-INSTALL REBATE APPLICATION

REBATE ELIGIBILITY REQUIREMENTS

- You must be a current ComEd residential delivery service customer.
- Smart thermostats must be purchased, installed and registered with the manufacturer March 1, 2016 – May 31, 2017.
- Application must be submitted within 90 days of installation and activation, or by June 30, 2017, whichever comes first.
- Each ComEd residential delivery service customer is limited to two smart thermostat rebates per household.
- The rebate will not exceed the purchase price of the new smart thermostat. Customers are only eligible for one ComEd rebate for each qualifying smart thermostat installed.
- The rebate is available for a new smart thermostat installed in an existing home or a new addition. A smart thermostat installed during construction of a new home does not qualify for a rebate.
- Replaced products must be permanently removed and disposed of in accordance with local codes and ordinances. Resale of replaced products is expressly forbidden.
- A tenant or renter who holds the ComEd account may apply for and receive a rebate for qualifying purchases and installations.
- Rebate eligibility requirements are subject to change without notice, including early termination of this promotion.
- Rebate is subject to the terms and conditions on **ComEd.com/Thermostat**.
- Smart thermostats must be:
 - Installed on one of the following systems:
 - Central air conditioner and furnace
 - Electric resistance heating (with or without a central air conditioner)
 - Electric heat pump
 - Fully installed, operational and connected to the internet via Wi-Fi prior to submitting a rebate application.
 - Purchased new. Resale thermostats, new parts installed in an existing smart thermostat, or a smart thermostat that is leased, rebuilt, rented, received from insurance claims, received from a warranty, received with reward points or won as a prize do not qualify.
 - Installed conforming to all applicable building, local and state codes, manufacturer specifications and requirements listed throughout this application and in the program terms and conditions on **ComEd.com/Thermostat**.
 - Installed in a property owned by the applicant, or the applicant must receive permission from the property owner to install the equipment. Submission of an application indicates that the tenant has obtained this permission.
