Bluetooth® speaker

その音をあるがままに。 Since 1946.

Pure Sound. Since 1946.

The X3 Bluetooth® speaker offers detailed high frequency sound complemented by deep and accurate bass, giving a complete musical experience within a sleek and streamlined form. It supports wireless music streaming for precision audio wherever you are, and a power bank function keeps your mobile devices charged wherever you go.

Feature highlights

2 x 1.75" (44.5mm) drivers and two passive radiators deliver advanced audio performance

Power bank charges mobile devices via USB connection

8-hour rechargeable battery life lets you play music anywhere

Pure precision

The Onkyo sound signature is clean, clear and precise. The X3 Bluetooth® speaker provides advanced audio performance in a sleek, compact design. Delivering 2x4.5W RMS total output power, the dual sound unit and passive radiator ensure that your music stays vibrant with crisp definition. Engineered for precision and performance.

Power that lasts

The X3 Bluetooth® speaker includes a built-in rechargeable battery that provides up to 8 hours of audio playback, whenever and wherever you listen to your music. In addition, the speaker hosts a USB port that can charge any of your mobile devices.

Portable performance

Bluetooth® streaming technology enables you to enjoy your music uncluttered by wires. A built-in microphone allows you to make and receive calls hands-free, while multi-pairing functionality makes it easy to swap music instantly between two devices. Sophisticated sound with simple, intuitive controls.
