

VEVR-003

Hugo End Table

OVERVIEW

Traditionally outdoor materials are refined for updated, indoor use. The side table's gunmetal iron shelf seems to float against a minimalist, Parsons-inspired concrete frame.

COLLECTION OVERVIEW

From the Everett Collection

Traditionally outdoor materials are refined for updated, indoor use. Minimalist forms and sleek lines add energy and excitement to any space. Clean, modern shapes transform solid materials into something weightless and timeless. Polished concrete, gunmetal iron, and walnut with rich, distressed finishes make a simple, bold style statement.
