RF170BLPUX6

ActiveSmart™ Fridge - 17.5 cu. ft. counter depth bottom freezer with ice & water

————

Active Smart foodcare has been given a new addition, an integrated water dispenser providing you with chilled filtered water and an internal ice maker for clean, crisp ice cubes on demand. With no impact on space in the freezer or refrigerator door, this is the perfect addition to the Active Smart family.

Features & Benefits

Easy Living
These refrigerators adapt to suit your lifestyle by streamlining food preparation and organization with SmartTouch controls, flexible shelving and storage options and slide out bins and trays.

Humidity Control System
The Humidity Control System combined with ActiveSmart™ Foodcare creates a microclimate in each produce bin, maintaining fruit and vegetable quality at just the right humidity and temperature level.

Easy Cleaning
Removable, spill safe glass shelves are easy to clean and contain drips and spills. Storage bins and EZKleen stainless steel doors just need a wipe to keep spotless.

Ergonomic
Uninterrupted spaces and numerous shelving options enable easy customization for different uses. Quality extension runners allow you to slide out trays fully for easy loading and unloading in the refrigerator and freezer. The storage bins are also removable, making food preparation and cleaning easier.

Efficient
ActiveSmart™ refrigerators intelligently adapt to daily use to save energy, cooling, defrosting and using energy only when they need to, without compromising on food care.

Ultra Slim Water Dispenser
The slimline water dispenser is easy to use. The angled water delivery means that almost any size or shape of vessel can be filled, while taking up no storage space in your fridge door.

Internal Ice Maker
The internal ice maker delivers fresh ice into a dedicated bin that can be easily customized to store different volumes or simply turned off to free up freezer bin space. Ice Boost mode can temporarily increase ice production by up to 30%.
