- 1GB = 1 billion bytes; actual formatted capacity less.
- Capacity based on 4 minutes per song and 128-Kbps AAC encoding.
- Rechargeable batteries have a limited number of charge cycles and may eventually need to be replaced. Battery life and number of charge cycles vary by use and settings. See www.apple.com/batteries for more information.
- iPod and iTunes are for legal or rightholder-authorized copying only. Don't steal music.
