

VERNAZZA SERIES SUPER PREMIUM GAMING CHAIR

Vernazza is the new top-of-the-line model featuring all the latest innovations from Arozzi's Swedish design team.

The Vernazza sports an extra high seatback and wider chair along with premium casters for even more ease of movement and long term comfort. It has a large sculpted foam head pillow matched with a lumbar pillow, each user adjustable.

Armrests are adjustable in the three dimensions, up, down, left, right and front and back, and both chair tilt and recline are lockable with preset positions. And of course, Vernazza is as stylish as it is functional, available in six colors with supple pleather upholstery.
