

APC SurgeArrest P8U2 and P11U2

P8U2

Reliable and safe protection

Power disturbances such as surges, lightning and power grid fluctuations can have a devastating impact on the valuable electronics you rely on every day. The APC SurgeArrest P8U2 and P11U2 provide guaranteed protection from damaging power surges and spikes. As one of the world's largest and most respected power protection designers and manufacturers, APC is relied upon daily for power protection and availability. SurgeArrest Home/Office and Performance products offer the maximum level of protection, safety, convenience, and reliability the industry has to offer.

- Clean, safe power
- Catastrophic event protection
- Full warranty
- 8/11 surge protected outlets
- 2 mobile charging ports
- Unique design

Charge and protect smartphones, tablets, cameras, and all other USB-enabled devices via 2 USB ports.

Guaranteed surge protection through multi-stage suppression circuitry ensures protection for life.

Quality A/V experience - EMI/RFI noise filter protects from electromagnetic and radio frequency interference, specifically valuable for maintaining audio-video quality.

Surge Protection LED illuminates when the SurgeArrest is switched on and supplying conditioned utility power to the outlet.

Ground OK LED warns of potentially dangerous wiring problems in the wall circuit.

Flexible rotating power cord & right angle plug for added ease of placement.

P11U2

APC
by Schneider Electric

Technical Specifications

Model	P8U2	P11U2
Input Voltage	104 to 126 Vac	104 to 126 Vac
Input Current/Voltage	15A , 104 to 126 Vac	
Line Frequency	50/60Hz	50/60Hz
Output Current/ Voltage	15A , 104 to 126 Vac	15A , 104 to 126 Vac
Outlet Number	8	11
Transformer Blocks	4	6
USB charging	2 ports, 5V, 2.4A	
RF Noise Suppression – Normal Mode	>35-70db, 1-10MHz	>35-70db, 1-10MHz
Surge Energy Rating	2630J	2880J
Transient Response Time	<1ns	<1ns
Surge Protection	Green LED	Green LED
Ground OK Indicator	Green LED	Green LED
Overload Indicator	×	Red LED
Switch (Circuit Breaker+Power on/off)	15A/125Vac	15A/125Vac
180 degree rotation power cord	Yes	Yes
Right Angle Plug	Yes	Yes
Safety Shutter	Yes	Yes
Warranty	Lifetime: EPP \$100,000	Lifetime: EPP \$250,000
