

VEVR-036

Omega Desk

OVERVIEW

Slim, double-banded legs in steel-toned iron give rise to a concrete desktop finished in antique grey. Modern-industrial touches renew traditional Parsons-style shaping.

COLLECTION OVERVIEW

From the Everett Collection

Traditionally outdoor materials are refined for updated, indoor use. Minimalist forms and sleek lines add energy and excitement to any space. Clean, modern shapes transform solid materials into something weightless and timeless. Polished concrete, gunmetal iron, and walnut with rich, distressed finishes make a simple, bold style statement.
