

VEVR-026

Arden Dining Table

OVERVIEW

Interlocking hexagons add airy, geometric interest. A clean, round concrete top is supported by a caged base with the glint of antiqued, rubbed steel.

COLLECTION OVERVIEW

From the Everett Collection

Traditionally outdoor materials are refined for updated, indoor use. Minimalist forms and sleek lines add energy and excitement to any space. Clean, modern shapes transform solid materials into something weightless and timeless. Polished concrete, gunmetal iron, and walnut with rich, distressed finishes make a simple, bold style statement.
