BENNINGTON

Engineered with iron, this bar stool has an attractive "X shaped back and slight curved legs. It has a beautiful gold tone finish that blends well with most of the decor. The base It has a comfortable square seat, this bar stools include a foot rest as well for convenience. It has an industrial style that is cleverly employed to give it a rustic yet modern feel. This design style imparts a ageless charm on this stool and makes it highly compatible with most contemporary decor schemes.
