## Promesse - 10288

US\$2,450.00

All women cultivate this mysterious attribute that attracts people to them. The woman who wears the blue Petite Promesse is a confident leader with a disconcerting precision. At ease in her mind and body, she gets what she wants - gently, but firmly. This woman is spontaneous and straightforward, like her devoted companion watch that matches the sky with its blue calfskin wrap-around strap, whose elegance cannot be missed, with an elegantly subtle case set with two half-moons of diamonds... She is astute: a sparkle of charm at the surface with a reserve that is a thousand times more charming. She enjoys her magnetism... A little mischievous.
