

## CLASSIMA

### Classima - 10226

US\$1,950.00

The pure lines of this creative yet dainty new 36.5 mm-diameter steel model embody an original vision of feminine elegance. Its moon-phase display appears at the heart of a large aperture at 12 o'clock, set against a star-studded midnight blue background, accentuating the bluish shimmering reflections of the natural mother-of-pearl dial. Extremely seductive and playing on symbolic allusions to femininity, this watch, on which the "night star" is magnified by the presence of 8 diamond-set indexes, lives in step with a Swiss Made quartz movement. Fitted with an extremely chic glossy blue alligator strap, it will enjoy the privilege of witnessing its owner's many joys and satisfactory experiences.

#### Technical Description
