EZKleen Stainless Steel

Dimensions

Depth	27 3/8"
Height	67 17/32"
Width	31 3/32"

Features & Benefits

Quality design

Our fridges are designed and built using quality materials. We use real stainless steel on our fridges and solid glass for shelving.

Easy cleaning

No more permanent dirty marks with our EZKleen feature for stainless steel fridges. Anti-fingerprint coating means you simply wipe clean any marks. Spill-safe secure glass shelves easily capture any drips or leaks.

Clever energy

Your fridge adapts to daily use by cooling and defrosting only when needed. This means your fridge uses the energy it needs without compromising on food care.

Designed to match

With their premium handle styling and stainless steel finish, our fridges are designed to match the rest of Fisher & Paykel's kitchen appliance family.
