CHAIRSIDE TABLE | 6722-07

18"W x 18"D x 23"H

Industrial construction inspired by vintage workbench design.

Drawing inspiration from vintage workbenches, the Carpenter chairside table is constructed of reclaimed wood planks and hand-worked metal frames. Exposed bolt heads underscore the aged, oiled finish that resembles an industrial steel framework. The small scale of this table makes it a perfect accent piece to complement other pieces in a room.
