Features & Benefits

Clever energy

Your fridge adapts to daily use by cooling and defrosting only when needed. This means your fridge uses the energy it needs without compromising on food care.

Design quality

Our fridges are designed and built using quality materials. We use pre-painted steel on our fridges and solid glass for shelving.

Easy cleaning

Spill-safe secure glass shelves easily capture any drips or leaks and prevent them from falling on items below.

Simple storage

This fridge is designed to make it simple for you to store, access and remove food. Storage bins give you full access inside when they're pulled open and can be easily removed to clean. Our flexible shelving also gives you more storage options.

Efficient

ActiveSmart™ refrigerators intelligently adapt to daily use to save energy, cooling, defrosting and using energy only when they need to, without compromising on food care.
